Product ID: XLWHITE - Xlerator Dryer White

The Xlerator hand dryer is a super fast and highly effective hand dryer. It gets hands from dripping wet to dry in 10-15 seconds whilst at the same time using only around one fifth of the energy of a conventional dryer. Not only does it offer an efficient alternative to paper towels it also out performs slower, conventional hand dryers. Savings of up to 80% against conventional dryers due to its faster drying time and low power consumption.

- * 10-15 seconds drying time
